

GoodtoGive Accounting Service

**Let us handle the pressure of your
Annual Accounts and Financial Governance**

**The GoodtoGive Accounting Service
provides all of this and more**

We help church and charity leaders remain compliant and in full control of their finances by managing the entire accounting process, providing ongoing support, and ensuring that their annual accounts are completed on time by expert Charity Accountants.

Added value and cost-savings

Transparency. Know exactly where your organisation is financially at all times and make more informed decisions.

Additional support. Benefit from our expert team who will manage the accounting process for you, so that you don't have to.

Peace of mind. Know that all your financial records are being kept up to date and your organisation is ready for an audit at any time.

More value for less money. Typically, our Accounting Service costs less than the average accountants fee but we offer significantly more.

Convenience. Have your accounts and Gift Aid managed by the same provider.

SERVICE DELIVERY MONITOR ✓

Service Delivery Monitor

Our **Service Delivery Monitor** is a management reporting layer that sits above the Accounting Service and our other services. It provides complete transparency throughout the service delivery process, ensuring that all parties are kept accountable and informed of relevant milestones and tasks.

What's included?

- Statutory filings
- Audit information for taxation
- Service delivery and management reporting
- Document scanning
- Document management
- Accountability and transparency throughout the process
- Course correction to address anything that isn't compliant

About GoodtoGive

- We've worked with ministries and charities for over a decade
- We're the UK's no. 1 provider of Gift Aid Management for churches in the UK
- We save our clients thousands every year in addition to significantly increasing their income.
